Overdraft Information

Banner Bank encourages you to carefully track your balance to avoid overdrafts. You can monitor your account with ease by using Banner Bank Business Online Banking or Banner Bank Mobile Banking.^{1 2}

We offer overdraft protection to protect you when there are not enough funds available in your account to cover the amount of a transaction. You can opt-in to overdraft protection and link your other Banner Bank public checking accounts, savings accounts, or lines of credit to your protected account so that funds from those accounts can be transferred to prevent overdrafts on the protected account.³

¹ May require authentication, registration and/or activation.

² Message and data rates may apply.

³ Overdraft protection by line(s) of credit is subject to credit approval and limited to residents of Washington, Oregon, Idaho or California, or to current Banner Bank deposit clients.

Payment Order of Items - *The order in which withdrawals and deposits are processed:*

We post transactions during nightly processing each Business Day (M-F except holidays). We first post deposits or credits received before the deposit cut-off time that day. We then post withdrawals or debits (such as ATM, debit card or check transactions) received for payment from your account.

We process withdrawals received for payment from your account in the following order:

1. In-branch account withdrawals – in dollar order from lowest to highest.
2. ATM and debit card – by type of transaction, and within each transaction type in dollar order, from lowest to highest.
3. Account transfers and account withdrawals – by type of transaction, and within each transaction type in dollar order, from lowest to highest.
4. Automatic payments (also known as ACH) and Banner Bank "electronic" Online Bill Pay payments – by type of transaction, and within each transaction type in dollar order, from lowest to highest.
5. Checks, Banner Bank "check" Online Bill Pay payments, and similar items – based on check number, from lowest to highest.

After the above transactions are complete, we post automated internal transfers to and from linked accounts, such as to provide overdraft protection or to sweep excess balances to loans or other deposit accounts. You can find more details in the *Understanding Overdrafts and Non-Sufficient Funds (NSF Returned Item)*, and *How to Avoid Overdraft Fees* section of the *Business Deposit Account Agreement*.

Deposit Hold Policy - *When funds deposited to your account are available:*

Our general policy is to allow you to withdraw funds deposited in your account on the first business day after the day we receive your deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first business day. Then, the funds will generally be available by the second business day after the day of the deposit. You can find more details in the *Your Ability to Withdraw Funds* section of the *Business Deposit Account Agreement*.

¹ May require authentication, registration and/or activation.

² Card replacement fee may apply

³ Message and data rates may apply.
