Bill Pay Guide

Getting Started – Accessing Your Account

Log in to Online Banking and select the 'Bill Pay' tab.

Adding Accounts

Select 'Add Account' from the Bill Pay sub-menu, choose the account you want to add to Bill Pay and click 'Submit'.

You must review and agree to the terms for Bill Pay to set up the account.

Payees

There are two types of Payees – 'Electronic' and 'Check'.

Electronic Payees receive their payments electronically, while Check Payees receive their payments in the form of a check.

Payment Funding

Funds for payments made to Electronic Payees will debit your account on the payment date.

Funds for payments made to Check Payees will debit your account when the check clears.

Adding Electronic Payees

Select 'Add Payee' > 'Pay a Company' to add a new Electronic Payee.

Fill in the payee fields and click 'Search'. If the company you entered is available as an Electronic Payee, a link with 'Payee Type Electronic' displays.

If the payee is not available as electronic, select the 'Add Check Payee' button at the bottom of the page.

Adding Check Payees

To add a payee without searching for available Electronic Payees, select 'Add Payee' > 'Pay an Individual'.

Adding Payments

Payments can be added in one of two ways: 'Quick Payment' and 'Recurring Payment'.

Quick Payment

Quick Payment allows you to add up to 10 one-time payments on the same screen.

Add Payment

Use Add Payment for payments that happen on a regularly scheduled basis.

Viewing History

Select 'Main' > 'History' under the Bill Pay tab.

Bill payment history is available for 19 months.
